Decoupage Birdhouse Materials:

- [Wood Birdhouse](#)
- Acrylic Paint – used on this project [Violet](#)
- Paint Brush
- 1 sheet of your Favorite [Scrapbook Paper](#) (12"x12")
- Scissors
- [Mod Podge](#)
- [Tulip Dimensional Fabric Paint Slick White](#)

Decoupage Birdhouse Directions:

- Paint the roof and base of your bird house with acrylic paint.
- Two coats may be necessary.
- Allow to dry completely in between coats, and before moving on to the next step.
- Cut your scrapbook paper into 1" squares/rectangles.
- Apply [Mod Podge](#) to your unpainted part of the bird house and affix scrapbook paper. Cover the paper with additional [Mod Podge](#).
- Begin with the corners and then continued on the other flat surfaces.
- Continue by overlapping the paper just a bit until the entire body of the house is covered.
- To cover the space around the opening, cut a curve out of a few pieces of paper (as shown) and apply around the opening.
- Cover the painted surface with [Mod Podge](#) to seal and add a little shine.
- Let set to dry.
- When dry, use [white Tulip Dimensional Fabric Paint Slick](#) to add details to your birdhouse including a scalloped roof and some accents.
