Prep Time: 3 minutes

Ingredients:

- 1 oz Apple Juice or Cider
- ½ oz Vodka
- 1 drop Green Food Coloring
- 1 squirt Chocolate Syrup
- Small dollop Marshmallow Creme
- 1 Swedish Fish

Directions:

- In a 2 ounce shooter glass, combine apple juice (or cider), vodka, a drop of green food coloring and a short squirt of chocolate syrup; stir.
- Add a small dollop of marshmallow creme and squeeze a drop or two of chocolate syrup until the marshmallow looks like a very convincing “floater”.
- The results should be a pretty convincing representation of sewer water except this horrible looking mixture will smell and taste much better (not that I’ve ever tasted sewer water).
- Drop a Swedish Fish candy into the glass for an added gross out factor.
- Serve immediately
