Easter Bunny Garland Directions:

- Print out [Printable Bunny Garland Template](#)
- Cut out paper pattern.
- Fold brown felt in half and lay paper bunny pattern on felt.
- Cut out two pieces at once.
- Repeat until you have the desired amount of bunnies.
- Fold orange felt in half.
- Cut out two carrots using paper pattern until you have the desired number of carrots.
- You can also trace the pattern onto the felt with a pencil and then cut it out.
- Use green felt to cut the carrot top. Set aside.
- Cut pieces of brown and green yarn about 8-10" long for each bunny and carrot created.
- On a flat surface, hot glue the green yarn and green carrot top to the inside of one piece of felt carrot and top with the other piece of carrot.
- Let set until cool.
- Glue **half** of the carrot together on the edges and when glue is cool, stuff with fiber fill.
- Glue another quarter of the carrot shut and glue. When cool, fill with more fiber fill and glue to

seal shut. Repeat for remaining carrots.

- On a flat surface, glue the brown yarn between two pieces of the bunny ears. Let cool.
- Glue **half** the bunny head around the edges. Let glue cool and stuff with fiber fill.
- Continue to glue the bunny and stuff with fiber fill until complete. Set aside.
- Repeat for remaining bunnies.
- String the bunnies and carrots on a twine or ribbon, and hang where desired.
