### **Love Monster Wineglass DIY Instructions:**

- Cut 1/4 of the pink pipe cleaners off, cut the white pipe cleaners in half and twist a pink and white together twice
- Wrap one end of the twisted pipe cleaner around your finger to twirl the end, twist the bottoms together (this will be hot glued to the back of your wine glass).
- Lay down a covering to protect your work surface.
- Paint the inside of your wineglass bright pink with your paintbrush (you can use a foam paintbrush).
- Allow to dry.
- Paint the outside of your wineglass bright pink with your paintbrush (you can use a foam paintbrush).
- Allow to dry.
- Turn your glass upside down and paint a large white smile onto the bowl of the glass towards

the bottom, just make sure to leave room for the fluffy boa.

- Allow to dry completely.
  - Glue 3 different size googly eyes above the mouth.
  - Hot glue your pink and white pipe cleaner to each side of the back of the wineglass to form antennas.
  - Now glue a red pom-Pom ball on the end of each pipe cleaner twirl
  - To finish your love monster hot glue a pink boa around the bottom of your wine glass and cut off any excess boa.
- 
- Top off with a tea light candle **for looks only!** If you want to use a flameless tea light for this one to imitate a flame, that would look super cute! Between the pipe cleaners and fluffy boa, and an open flame is strongly discouraged!
